

GOD Time

Day 4

Read Acts 14:17

Week 1

Ever stop to think about the fact that we know what God is like because we can see what He's made? It's true. That majestic mountain shows how big God is. That crazy storm with thunder and lightning last week, proves that God is all powerful. The beautiful butterfly that fluttered across your path as you stepped outside to play shows how creative He is. And more than anything else, the way God created YOU as a unique and precious individual shows how much He loves you.

Head outside and find one thing that shows how big God is. Now find one thing that shows how beautiful God is.

Know that God loves the world He created including you!

GOD Time

Day 1

Read Genesis 1:27

Week 1

Ever have a day where you don't think you got anything right? Maybe you thought your hair looked lame. Maybe you missed the goal and your team lost the game. Or maybe you thought you were prepared for the spelling test until you couldn't remember how to spell any of the words! Everyone has days where they feel like they don't measure up. The good news is, God doesn't love you any more or any less based on how awesome your hair looks or whether or not you scored the winning goal. God is pleased with you because He made you. And He doesn't make mistakes.

Ask your Mom or Dad if you can look at your baby pictures. As you look at the pictures, ask them about what you were like as a baby.

Thank God for reminding you today that He is pleased with you.

GODTime

Day 2

Read Genesis 1:31

Week 1

God made everything, mountains, rivers, billy goats, bullfrogs, even your Aunt Erna. And when He created the world, He stepped back to take a look at what He'd done. This verse tells us that He was very pleased with what He saw. He didn't say, 'Ah man, that and that and that and that look pretty good, but that kid over there, what was I thinking?' God doesn't make mistakes. And He wants you to know that everything He created is very good.

Walk outside and take a look at the world God created.
Write down three things you're thankful for.

CHASE
THE LIGHT

Ask God to help you remember how amazing His creation is.

GODTime

Day 3

Read Psalm 147:1-5

Week 1

Have you ever been outside on a clear night and looked up at a sky full of stars? Ever tried to count them all? It's impossible. Counting stars is like trying to count the number of hairs on your head or grains of sand on the beach. Not only does God know how many stars are in the sky. This verse tells us that He knows them by name. And that same God knows you by name too. Way cool.

Use a telescope or binoculars to check out the stars. Try to count as many as you can. Now try to assign each star a name.

CHASE
THE LIGHT

Look for ways to thank God for the world He made for you to live in.
