

GOD Time

Day 4

Read 1 Thessalonians 1:4

Week 3

Ever been the last one picked for the team at recess? Doesn't feel very good right? Everyone wants to be chosen or accepted. Everyone wants to fit in. Here's the good news. God doesn't pick teams. He wants everyone to be a part of His family. Because you are so valuable to Him, He chose to send the most valuable and precious gift to you—His only Son—to take the punishment for your sin so that you could have a relationship with him.

Think about your most prized possession. Do you have something in mind? Would you be willing to give it away? Why or why not?

CHASE

GOD Time

Day 1

Read Deuteronomy 26:18

Week 3

Have you ever walked up on a group of friends who suddenly got quiet when they saw you? Maybe it made you feel like they were talking about you behind your back. Or maybe you found out that all your friends got invited to a birthday party but you didn't. Feeling left out is never fun. But there's really good news—God says that you are HIS. You are His treasured possession. He'll never leave you out because He loves you more than anything. And that truth should give you the courage to face any situation because you belong to God.

What are some things about you that show you belong to God? Write your name to the side to remind you who you belong to.

HELLO

I belong to God.

CHASE
THE LIGHT

Thank God for creating you and calling you His own.

Day 2

Read Psalm 139:14

Week 3

Everything about your body is amazing. Did you know that you have over 600 muscles? It's true. There are so many different things that go on every second inside your body that it's impossible for your brain to comprehend it all. Think about it this way, do you have to tell your body to take a breath? Or give your eyes an order to blink? No way. It's all part of the amazing way God knit your body together. And He gave you your body because He loves you.

Pull out an inkpad and stamp your fingerprint on a piece of paper. If you don't have an ink pad, you can color your index finger with a marker and get the same effect. Think about the fact that no one else in the entire universe has the same fingerprint!

CHASE
THE LIGHT

Ask God to help you remember every time you use your hands just how much He loves you!

Week 3

Did you know that God thinks about you? Did you also realize that God thought about you before you were ever born? He decided what talents and abilities you would have. He thought about who you would be before your parents even knew you were on the way! And all the things that make you who you are were given to you so that you could better serve God and help others see how much He loves them. You were made to serve God with all that you are!

Draw a picture of yourself. Write three unique things about you and how you can use those things to serve God.

CHASE
THE LIGHT

Look for ways to use the abilities God has given you to serve Him better.
