

GOD Time

Day 4

Read 1 Corinthians 2:9

Week 4

Do you like to use your imagination? When you were younger, did you play pretend with your stuffed animals or your toy trucks? God gave you the imagination you have to dream big dreams. But guess what? This verse reminds us that we can't even imagine what God can do. He can do ANYTHING, even things beyond what we could dream about.

Write down two things you're dreaming about that seem impossible.

GOD Time

Day 1

Read Psalm 65:5-7

Week 4

What if you had the power to say "mountain" and BAM—one just appeared in front of you? Or what if you could control the wind and rain with the wave of your hand? Pretty cool, huh? God created the entire universe just by speaking. There is no one else who can do what God can do. He is the one and only God.

Head outside with a camera and take a picture of something in nature that God created. If you don't have a camera, you can draw something instead. Place your picture in your room where you'll see it every day this week.

CHASE
THE LIGHT

Thank God for creating such an amazing world to enjoy.

Day 2

Read Deuteronomy 3:24

Week 4

Think of the strongest person you've ever seen. Is it the fireman you met on your last school field trip? Is it your dad? What about the guy at your parent's gym who lifts all those weights? If you took all those guys, plus Superman and GI Joe, and wrapped them all into one, guess what? God would STILL be stronger. This verse reminds us that there isn't ANYONE who can do what He can do.

Got a problem you're not sure how to handle? Write it down in the space below. Now write GOD in big block letters right over the top of the problem you listed.

Ask God to help you remember just how strong He is this week.

Day 3

Read Isaiah 40:28

Week 4

Have you ever been to a sleep over or slumber party where you didn't get any sleep? How did it make you feel the next day? Did your lack of sleep make you grumpy and hard to be around? Can you imagine if you never got a good night's sleep? Life would be pretty rough, right? The verse tells us that God NEVER grows tired or weary. He has an endless amount of energy and patience. And no matter what time of the day or night we call on Him, He hears us and answers our prayers.

Find a piece of paper and write the words, "God never grows tired" on the card. Place it next to the clock in your room (or a clock in another part of your house that you see every day) to remind you that God never sleeps.

Listen to God's promise that He never grows tired or weary.
