

GOD Time

Day 4

Read Isaiah 43:1

Week 6

Do you protect the things that belong to you? Do you get nervous when your little brother or sister wants to play with your favorite toy? It's normal to want to protect things that are special to you. Guess what? God takes care of you because you are special to Him. He made you. He sent Jesus to die for you to prove just how much He loves you. You don't have to be afraid because God will protect you. After all, you belong to Him.

Do you have any nametags or labels at your house? Grab one. If not, you can use a piece of masking tape. On your nametag or masking tape, write "Property of God" and place it on your mirror. Every time you brush your teeth or comb your hair, this sticker will remind you who you belong to!

GOD Time

Day 1

Read Matthew 6:28-29

Week 6

Have you ever thought about the fact that the flowers of the field don't have to worry about what they wear? It's true. You never hear about a dandelion working extra hard to make it's own petals. The flowers are beautifully clothed because God dresses them that way. If God cares enough to take care of the flowers, how much more does He love you? Way more!

Head outside and pick a flower. Bring it inside and place it in a glass jar or small vase in your room to remind you that God loves you and provides for you each day.

CHASE
THE LIGHT

Thank God for loving you enough to provide for all your needs.

Day 2

Read 1 John 3:1

Week 6

What does this verse say that God calls you? His acquaintance? His student? His servant? His neighbor whose name He can't remember? No way. God calls you His child. You're His. You belong to Him. That's how much He loves you. You don't have to earn His love and there's nothing you can do to lose it. He knows you better than you know yourself. God just loves you for you.

Write the words "I belong to God" on the inside label of your favorite shirt to remind you who you belong to.

Ask God to help you remember that you belong to Him and He loves you!

Day 3

Read 1 Kings 19:12

Week 6

When you think about God, what comes to mind? Do you think about big things like mountains and oceans and miracles like the feeding of the 5,000? Of course, God is into BIG things. But this passage reminds us that He's also small enough to hear us when we talk to Him. When Elijah listened for God, He didn't answer in an earthquake or a fire. Instead, He listened to what Elijah had to say and answered in a whisper. And God listens to you too. He will answer and comfort you because He loves you.

Start keeping a journal of all the things God is teaching you. You can write down prayers, draw pictures, even write down a verse that you want to memorize. Start today with your first entry. What is one thing you feel like God is asking you to do today? Write it down in your journal with today's date at the top.

Listen for God to speak to you—remember, it might come in a whisper.
