

GOD Time

Day 4

Read Ephesians 2:10

Week 7

What do you love to do? Are there things that you're naturally good at? Maybe you can draw. Maybe you can sing. Maybe you have an amazing memory. Or maybe you're good at getting groups of kids together at recess for kickball. Here's something really cool. All those things you're good at, God put those talents there. God made you and He wants you to use the gifts He's given you to do good things. That's all part of His plan for you.

Write down three things next to each number below that you're good at or like to do. Next to each of your answers, write one way you can use that talent or skill to help others see how much God loves them.

1. _____
2. _____
3. _____

Know that God loves you and accepts you just as you are.

Week 7

Are you ready to grow up? Sometimes, do you wish you were older? Maybe someday you'll be a fireman or a doctor or a leader or a minister. Maybe you'll get married and raise a family. Guess what? You don't have to wait for someday to get here. This verse tells us that God has big plans for your future but He also has big plans for you right now!

Use the line provided below to make a timeline of your life. Start with the day you were born and write down important things that have happened in your life since then.

Thank God for having a plan for your life.

GOD Time

Day 2

Read Proverbs 3:5-6

Week 7

Check out the timeline of your life that you drew yesterday. While you may have written down three or four things that were pretty important that have happened to you so far, guess what? You're still at the beginning of your life timeline. And the good news is that you don't have to have every part of your life figured out. While you will face choices, you don't have to face them alone. God promises to be with you. All He asks is that you trust Him. He knows the way because He has a plan for you.

Unscramble the words below to fill in the verse.

_____ in the _____ with all your _____ and _____ not on your own
SUTRT RDOL RTEARH NELA

understanding, in _____ your _____ acknowledge Him and He will make your _____

Day 3

Read Ephesians 1:4-8

Week 7

God sees tomorrow as clearly as He sees today. That means He knows exactly what will happen in the future. We can't really wrap our minds around this but the truth is that God can look forward in time. And God chose you to be His child. He sent His only Son to pay the price for your sins. And all the events of your life, past, present and future, are part of His bigger plan.

Write down three things you think will happen in your future. Now write down a prayer asking God to help you trust Him with your future.

CHASE
THE LIGHT

Listen for God to show you the plans He has in store for you.
